## DEFINITION OF DOCUMENT

Memorandum to Brig. Gen. Edwin L. Sibert, through Executive to the  
 Director, from Donald H. Galloway, Acting Assistant Director, Special  
 Operations; 2 pp.

## TEXT NOTATION REFERENCES

The memorandum concerns the security of the Office of Special  
 Operations. It mentions a survey in process from which recommendations  
 concerning security will be made. Various motives for leakage have been  
 taken into consideration. Stringent personnel requirements and investi-  
 gations will best combat leakage to foreign agents, and frame-up  
 possibilities by press and federal agencies. The FBI conducts personnel  
 investigations and the Security Division of SO is constantly alert for  
 disaffections. OSO already employs former FBI personnel to supervise its  
 physical security and it is therefore regarded as unnecessary to hire  
 FBI for that purpose.
